SHARE the JOY of MAKING MUSIC TOGETHER!

Co-Curricular Music Ensembles
Performing in ensembles is the best way to maximise the benefits of learning music. All students enrolled in Private Music Tuition are encouraged to participate in the Co-Curricular Music Ensembles appropriate to their instrument or voice.

There are ensembles open to all students. To be a part of the Extension ensembles, you are also required to be committed to Core ensembles.

About our Ensemble Tutors
Masada is fortunate to have an outstanding team with teachers specialising in different ensembles.

Instruments
Students are expected to have their own instrument. If you would like to hire an instrument, please discuss with the Music Co-ordinator.

Your Commitment/Performances
Each student is expected to enrol with a commitment for an entire school year. It generally takes approximately one full year for a student to fully appreciate the rewards of performing music in an ensemble.

There will be various performance opportunities throughout the year with advance notes given to students and parents.

If students are enrolled in Private Music Tuition at Masada College, ensembles are free. Otherwise a $200 fee per semester will be billed to your school account. This is a one off cost per semester regardless of how many ensembles a student participates in.
