Business activity is a feature of everyone’s life. As consumers and producers, employees, employers or self-employed, savers and investors, and as importers and exporters, people throughout the world engage in a web of business activities to design, produce, market, deliver and support a range of goods and services.

Business Studies at Masada encompasses the theoretical and practical aspects of business and management in contexts which students will encounter in life. We offer Business Studies as a Preliminary course in Year 11 and an HSC course in Year 12.

- Past excursions have been to the IMAX theatre, the Crowne Plaza Hotel, and the Sydney Aquarium as business case studies
- Participation in the “Plan your own Enterprise” competition. Masada has had great success, winning in 2008 and being in the final in 2009.

Our Results and Tertiary Study
Students who have difficulty with Business Studies are provided with excellent support. All Masada students in Year 11 and 12 have a tutorial lesson where they can make an appointment with their teachers to discuss progress. In the holiday periods students are also able to email their work to receive feedback.

Many of our students at Masada combine their Business Studies with other supporting subjects such as Economics and Accounting and then continue their tertiary studies in these areas.
