Link Rd Kids Before + After School Care is situated in Corpus Christi Primary School. We provide care and recreation for children from Kindergarten to Yr 6.

The program is focused on providing recreational activities for children in a safe and enjoyable atmosphere. The children are provided with a range of activities from sport, to art and craft, from group games to quiet times. Children are able to choose what they would like to do, thus creating a home-like atmosphere and encouraging individuality and confidence. There is also a supervised quiet area for children wishing to do their homework.

Nutritional food is provided. Breakfast is served, if required, at BSC, and at ASC a healthy snack accompanied by a choice of two fresh fruits or vegetables is available for afternoon tea.
