Bubble Dome December / January 2013 School Holiday Courses at Masada College, St Ives!

3D Computer Animation and Games Design  Ages: 6-11yrs
Dates: 18th – 20th December & 22nd – 24th January Cost $299 3pm Finish or $329 5pm Finish
Develop the skills behind 3D movies such as Madagascar and Shrek! This amazing 3 day course will teach you the techniques to develop awe inspiring characters, 3D worlds and game design with the use of cutting edge software.

Minecraft Challenges and Inventions  Ages: 8-14yrs
Dates: 18th – 20th December & 15th – 17th January Cost $299 3pm Finish or $329 5pm Finish
This popular course allows students to learn problem solving and 3D modelling skills using Minecraft! Set up in a virtual learning environment, students are presented with a range of Engineering, Architectural, Design and Problem-solving challenges.

Ultra Minecraft – Mods + Java  Ages: 10-16yrs
Dates: 18th – 21st December & 15th – 18th January Cost $395 5pm Finish
This course is designed exclusively for Bubble Dome graduates and older students with a strong interest and passion in Minecraft. During this exciting workshop students will create mods using Java which will allow them to change game content adding their own creative feel and options to the game!

NB: Prior to commencement of the Minecraft courses students are required to have their own Minecraft license, this works out to be approximately $33. This cost is not included in the price of the course and can be purchased at www.minecraft.net. Bubble Dome has developed their own Minecraft world and access is restricted to students and tutors only. Tutors will endeavour to ensure that the student doesn’t stray from this world.

Ultra Computer Animation and Games Design  Ages: 12-18yrs
Dates: 22nd – 24th January Cost $395 5pm Finish
Challenge yourself while developing your expertise in the realm of games design, 3D modelling and animation! Have a head start in a career based hobby of making games using industry level software!

Lego Engineering and Robotics  Ages: 6-11yrs
Dates: 14th – 16th January Cost $299 3pm Finish or $329 5pm Finish
If you love Lego, construction and robotics then this new course is for you! Take part in extreme Lego challenges using Bricks, Software and Mindstorm robots.
