Term 1, Week 11, 8th April 2013

In this edition:
- UNSW Medicine Information Evening
- Scholarships Information and Events
- Engineering Cadetship at Rolls Royce
- Business Cadetship at UBS
- Technology Cadetship at Westpac
- Career Exploration Events

WORK EXPERIENCE

UTS Science
UTS Science has a work experience program for years 10 and 11 students. The program is based around the teaching and research of their laboratories and is to some extent an introduction to tertiary science, covering a broad range of disciplines at UTS Science.

The principle areas of laboratory science include:
- Chemistry and forensic science
- The Environment
- Physics and advanced materials
- Medical and molecular biosciences

For more information:
UBS Business Cadetship
Applications are open now and close Wednesday 15th May (midnight). By this date, both this Application Form and your School Assessment must be submitted.

As a Business Cadet you combine university study in Sydney with paid work at UBS in Sydney. The Business Cadetships Program allows students to choose the university where they will study and allows them latitude in their choice of degree program.

For more information and to apply:

Rolls Royce Engineering Cadetship
Applications open 29th April 2013 and close 21st June 2013

Combine work within the Naval Marine business of Rolls-Royce in Australia with university study in mechanical engineering, electrical engineering or naval architecture. Alternatively, cadets may choose a flexible entry engineering degree.

Engineering Cadets study full-time at the University of their choice in Sydney and work for Rolls-Royce during the middle and at the end of each year. You will still enjoy holidays, but they won’t be as long as university students who are not engaged with industry.

For more information and to apply:

Technology Cadetship at Westpac
Applications open 29th April 2013 and close 21st June 2013

Combine work at the Westpac Group in Sydney city with university study in computer science, information technology or information systems. Alternatively, cadets may undertake a commerce or arts degree and select information systems as one of their majors.

Technology Cadets study part-time at the university of their choice in Sydney. Cadets work at Westpac for six months each year and study in the other semester.

For more information and to apply:
SCHOLARSHIPS

INFORMATION EVENINGS

UNSW Scholarships Information Evening
Thursday 6th June 6pm

Provides greater depth and detail on the range of scholarships at UNSW, with a focus on the application process and answering specific questions. The evening is aimed at year 11 and 12 students and their parents. The evening will consist of a general introduction to UNSW scholarships and the Co-op Program, as well as information time for one-on-one discussions about specific scholarships.

To register to attend:
http://www.networkschools.unsw.edu.au/events/view/68/scholarships-information-evening

UTS Engineering and IT Scholarship Information Evenings
IT Undergraduate Courses and Scholarships Information Evening
11 June 2013

Engineering Scholarships information Evening
2 July 2013

Registration details will be available closer to the date

University of Sydney Scholarships Information Evening
26th June 2013
6–8pm

Did you know that the University of Sydney gives out over $65 million in scholarships each year? That's $65 million for over 700 scholarship schemes (not including prizes or college and sporting scholarships).

The Scholarships Office will be sharing insider hints and tips on completing a University of Sydney scholarship application. Attendees will also hear from a Sydney student about how they got a scholarship and how it has helped them succeed.

Details about the program and how to register will be available on the future students website closer to the event. http://sydney.edu.au/future-students/domestic/undergraduate/upcoming-events/index.shtml
COOP SCHOLARSHIPS APPLICATIONS

UTS Bachelor of Accounting Coop Scholarship Program
Applications open NOW and close Friday 7th June

Designed for future leaders of business. All students in the course receive a tax free scholarship worth over $46,500, paid out over two and a half years of the degrees and periods of work placement with leading business organisations.

For more information and to apply: http://www.uts.edu.au/future-students/business/business-study-areas/accounting/bachelor-accounting/application

UTS Bachelor of IT Co-op Scholarship Program
Applications open NOW and close 21 June 2013

Year 12 students who are interested in IT, excellent communicators and have the capacity to progress to a senior level of management are encouraged to apply for our BIT Co-op scholarship.

For more information and to apply: http://www.uts.edu.au/future-students/information-technology/it-undergraduate/bit-co-op-benefits

UNSW Coop Program
Application open May and close Sunday 30th September 2013

A UNSW Co-op Scholarship provides:

- $16,750 pa* for every year of study
  (Scholarships pay $16,750 per year over 4 years for Business degrees and 5 years for most Engineering and Science degrees)
- Between 9 and 18 months of relevant industry training with up to four different companies during your degree
- The opportunity to experience the sort of work you might be doing as a graduate in the field and to assess/be assessed by a number of potential employers
- A Co-op Academic Co-ordinator that can offer advice and support throughout your degree
- Professional development & leadership training during your degree
- Opportunities to network with leading employers and make valuable contacts within your industry
- A social network of friends that can support you through university and last a lifetime

For more information: http://www.coop.unsw.edu.au/
