AUSTRALIAN CATHOLIC UNIVERSITY

Speech Pathology... at North Sydney from 2013

Would you like to help children with cleft lip and palate to swallow, or children with development delays to communicate?

Or would you enjoy the challenge of working with adults who have had a stroke and helping them to speak again?

The 4-year Bachelor of Speech Pathology will prepare students to assess and manage people who have trouble communicating and/or swallowing. The course encompasses all aspects of communication including speech, writing, reading, signs, symbols and gestures. Speech pathologists also work with people who have difficulties swallowing food and drink.

Students will be equipped to practice in a wide range of settings
Public and private hospitals, in both acute care and outpatient facilities, Schools, Community Health Centres, Early Childhood Clinics and Private Practice.
YEAR 12 APPOINTMENTS
I am currently meeting with Year 12. For those students who have indicated a preferred day and time, I have already contacted you or will be contacting you in the next couple of weeks to confirm a time to get together. If you have not yet indicated a preference, please e-mail me to make a time (shughes@masada.nsw.edu.au) or see Mrs Greave at reception and she can arrange an appointment.

In preparation for those appointments please complete the following 3 things:
1. Career Appointment Preparation Survey:
