LAW DISCOVERY DAY, UTS - Year 10 and Year 11

The day will feature Hands-on practical activities including:

- UTS students, academics and professionals sharing their experiences in all facets of law
- Information about our undergraduate courses, scholarship opportunities, admission requirements and career opportunities in law.
- Students will have the opportunity to find out about law, what it’s like to study and career opportunities in this field. They will meet students from other schools and at university and work as a team in our hands-on activities.

The program will consist of:

- Overview of Law at UTS, including scholarship information
- Career Opportunities in Law
- Current Law Student Panel
- Workshop and Hands-on Activities - experience what it feels like to appear in court by role-playing in a Mock Trial.
- Mini interactive Lectures in popular areas of the law
- Faculty Tour, to name a few.

The program will run from 9.00am to 2.00pm on Thursday 1st November 2012. A complete program will be available to all registrants closer to the day.

If you are interested in being involved, contact Suzy Hughes, Careers Adviser to register.

YEAR 12- MANAGING THE TRANSITION FROM SCHOOL TO UNIVERSITY

UNSW Year 12 Parent & Student Information Evening
Thursday 15th November, 6pm

This evening offers year 12 students and their parent’s timely insight into the UNSW application and offer acceptance process, as well as information on available student services and other opportunities at the University. It's also a great chance to get answers to questions you may not have considered until after the HSC exams.

In addition to a number of speakers from across the University, you'll also hear from a parent who has survived the experience of successfully enrolling their son or daughter into university - and lived to tell the tale.

For more information and to register: http://www.networkschools.unsw.edu.au/events/view/83/year-12-parent---student-information-evening
ACE DAY JOBS

Ace day jobs is a series of five minute video episodes of Australians with innovative careers.

It's about people who really love their work and how they got into it. Often there's a few twists and turns on the way. Sometimes people with great careers started off on one track and ended up on another.

Each episode takes you into someone else's world, and gives you an insight into aerospace engineering, forensic anatomy, science reporting, and many more careers where people are living out their dreams in their work. And there are plenty of suggestions on how to get there.

Find out what to do if you don’t know what to do, and other frequently asked questions. Or check out the job match to see which featured careers are in your ideal work environment.

Ace day jobs is produced by the Australian Broadcasting Corporation.

YEAR 10 WORK EXPERIENCE

An e-mail went out this week to all Year 10 parents reminding students that the work experience program will be held in Week 9 this term from Monday 3rd December until Friday 7th December.

The College views work experience as an important personal and professional learning activity, and as such it is a compulsory component of the Masada College program. Mrs Barel has indicated that there should be no exceptions to this. Should students be unable to partake in the program on the set dates for any reason, this needs to be discussed with Mrs Barel and Ms Hughes and alternative time frames will be determined. This includes students who are involved in Israel study programs.

In order to commence work experience, the following forms need to be completed and returned to Ms Hughes via e-mail (shughes@staff.masada.nsw.edu.au) or dropped off at the College reception (by Friday 23rd November at the latest):

- Attachment A: PARENT CONSENT FORM
- Attachment B: HOST EMPLOYER CONSENT AND ACKNOWLEDGMENT FORM

These forms can be obtained by e-mailing the Careers Adviser at shughes@staff.masada.nsw.edu.au
